Census & Registration

Welcome to The Catholic Church of St. Mary! For us to minister to your needs to the best of our ability, current information is needed about your family. This form is designed to collect the information that is needed to maintain Parish census records (wedding anniversary dates, baptisms, birth dates, changes in marital status, deaths, and births). You may be assured that this information will be treated with complete confidentiality.

*Please complete the information requested, and remember to let us know if your contact information changes. All persons living in your home or using it as a legal address (even if your children are away at college) should be included on the form. Adult children no longer living at home should **not** be included, as they should register at the local Church where they attend Mass. Adult children living at home with children of their own should register as a separate household, as should parents and grandparents of adult children living in the same household. Answers for sacramental questions asking "Where?" should include Church, City, and State.*

If you have any questions, please call the Parish Office at 856-424-1454 between 9:00 am and 4:00pm, Monday through Friday. You can return the completed form directly to the Parish Office or just mark "Census" on the outside of the envelope and drop it in the collection basket on Sunday. Please remember to notify the Parish Office when you move or change telephone numbers or email. (Copies of Sacramental Certificates (Baptism, First Communion, Confirmation, and /or Marriage) for yourselves and for your children would be extremely helpful., but are not required.)

Thank you in advance, for your cooperation and timely response!
