Most Holy Trinity Grateful Heart Stewardship

"For God so loved the world that He gave His only Son..."
JOHN 3:16A

Is your love conditional? Is there a price others have to pay to receive your love? Are you generous with your time, money and possessions? If you give someone something, do you expect something in return? Do you give your time freely or do you "fit it in" when it's convenient for you? **Stewards** pray for a grateful and generous heart.

Please welcome our new parishioners...

The Most Holy Trinity

"God so loved the world that he gave his only Son." We are used to this profound idea, so used to it that we often glaze over the incredible reality: God the Father has a Son who became man and dwelt among us! Too often we blithely make the sign of the cross in the name of the Father and of the Son and of the Holy Spirit, without realizing what a radical theology we are announcing.

Only Christianity proclaims a triune God. Only Christianity professes that we have one God in three divine persons. Only Christianity declares that the very nature of God is to be relational and literally "personal." Why does this matter? Because we are made in God's image, as the opening chapters of Genesis tell us. We, therefore, are made in the image of this Trinitarian God who IS love. We are built to be like this God! Just as God the Father loves God the Son and God the Holy Spirit, we too are called to love one another. In fact, we are not fulfilling our nature and design when we don't. And just as God loved the world (that is, us!) so to we are called to love him in return.

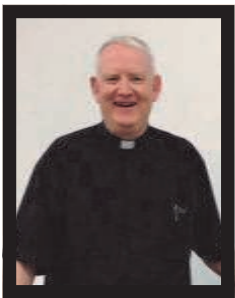

We don't have to embrace this image in which we were made, of course. God gave us freedom so that our love can be real, but this means our choices really matter. We can decide not to reflect God's interpersonal love in the world. We can opt not to return the love that God pours out to each of us. But this can only lead to disappointment in the end. After all, God sent his Son so that

disappointment in the end. After all, God sent his Son so that everyone who believes in him might not perish but might have eternal life." Ultimately, this means spending eternity in the Trinitarian embrace of love. So why not start now? *(Taken from LPI, Inc.)*

South Jersey Catholic School students set to lose critical funding in 2017-18

Are You a Taxpayer?

Students in Catholic schools save New Jersey taxpayers millions of dollars annually. Each child who leaves a Catholic school and moves to public school costs taxpayers an average \$19,000 a year. So it's in all our best interest to help keep students in our Catholic schools.

Governor Christie has proposed flat or reduced funding for non-public school students in the 2017-18 school year. In his plan, the per-student allotment for bus transportation will remain \$884 – an amount that has not changed in 10 years. Every year, students are forced to leave our schools because of transportation challenges. Also, funding for school nurses and technology will be reduced, and funding for non-public school security will be eliminated altogether.

An Easy Way to Take Action

We are asking for equitable distribution of funds for expenses that affect all students, no matter where they go to school. Please go to <https://njcatholic.org/faith-in-action> and ask your representatives to reach out to their counterparts who serve on the Budget and Appropriations committees. The text is already prepared for you to sign and send online.

As a taxpayer, your voice matters, regardless of whether you have children in Catholic schools. Thank you for making sure your voice is heard.
