## GOSPEL MEDITATION

©2004 LPi

Do you have enough? Many of us come from a nation of material abundance. We have all the things we could possibly need not only to survive, but to thrive - food, shelter, mental ability, income, access to medical care.

Most people in human history lived with far less than we. So why are we so dissatisfied? Some Christians can be drawn to the "prosperity Gospel." This is the idea that following God will bring us material abundance in this life.

That surely seems to be the story of today's Gospel! Peter and his friends chose - with some faith - to put out their nets a final time at Jesus' command. "They caught a great number of fish and their nets were tearing. They signaled to their partners in the other boat to come to help them. They came and filled both boats so that they were in danger of sinking." What abundance! What prosperity! Peter and his friends caught more fish than they'd ever seen. Yet what is their response to this material abundance, this gift from God? They leave it behind. "When they brought their boats to the shore, they left everything and followed him."

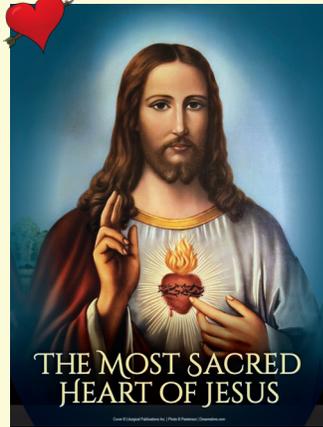

Praying for God to meet our physical, material needs is not a bad thing! Jesus himself includes "give us this day our daily bread" in the prayer he teaches his disciples.

The question is, how do we respond when our prayers are answered? Do we thank God briefly, or perhaps ignore Him completely and move on with our lives? Or do we respond as Peter did? "God? You showed up in an area that has no bearing on my eternal salvation. You gave me a gift I didn't even really need. You love me! You really do love me." Is our gratitude only surface level? Or do we allow ourselves, like Peter did, to respond with wonder, awe, and deeper discipleship?

# Happy Valentine's Day!

## Uniting our hearts to the Sacred Heart of Jesus & Immaculate Heart of Mary

O most Holy Heart of Jesus, fountain of every blessing, I adore you, I love you, and with lively sorrow for my sins I offer you this poor heart of mine. Make me humble, patient, pure, and wholly obedient to your will. Grant good Jesus, that I may live in you and for you. Protect me in the midst of danger. Comfort me in my afflictions. Give me health of body, assistance in my temporal needs, your blessing on all that I do, and the grace of a holy death.

O Most Blessed Mother, heart of love, heart of mercy, ever listening, caring, consoling, hear our prayer. As your children, we implore your intercession with Jesus your Son. Receive with understanding and compassion the petitions we place before you today, especially (state your intention). We are comforted in knowing your heart is ever open to those who ask for your prayer. We trust to your gentle care and intercession, those whom we love and who are sick or lonely or hurting. Help all of us, Holy Mother, to bear our burdens in this life until we may share eternal life and peace with God forever. Amen. ## Divine Mercy Minute

The Lord speaking to St. Faustina:

*"All grace flows from mercy, and the last hour abounds with mercy for us. Let no one doubt concerning the goodness of God; even if a person's sins were as dark as night, God's mercy is stronger than our misery. One thing alone is necessary; that the sinner set*

*ajar the door of his heart, be it ever so little, to let in a ray of God's merciful grace, and then God will do the rest."* (No. 1507)

**St. Mary Maintenance Update: TREES**

As some of you may have taken notice, a number of the large trees around the Rectory had to be taken down. After consultation with the Building's Committee, these trees have disrupted the drainage system around the Rectory. The roots have clogged the pipings and some have created damage to the roof. Due to concern that these trees so closely planted next to the Rectory, could create foundational problems we have decided to take them down and replace them with various shrubbery that will enhance the Rectory building. Please be patient with the removal of the trees, and later the stumps, and later the planting will be an ongoing process.

Thank you for your understanding,
