

The Catholic Church of Saint Mary has established a **Memorials** program that will allow you to beautifully and perpetually celebrate loved ones, special occasions, and memorial remembrances. Custom engraved memorial bricks that you create will be permanently installed bordering monuments or walkways on Saint Mary Parish campus.

The memorial bricks will highlight the special connections we all have to our families and to our faith community. Personalized engraved bricks can be used to commemorate loved ones and families, also to celebrate baptisms, confirmations, weddings, anniversaries, graduations, community/military service...

The **Saint Mary Church Memorials** program is an ongoing fundraiser, with a portion of each purchase returned to support parish finances and to support its spiritual mission.

Orders for personalized engraved bricks may be placed at any time, but orders will be collected and submitted in bundles, and bricks will be installed seasonally. Deadlines and installations (subject to change) are: December 1 (Spring installation); April 1 (Summer installation); August 1 (Fall installation).

Payment options are (a) check (mail to Parish Office) or (b) online payment using "Parish Giving" (www.paritygiving.org) or (c) "Parish Giving Form", (scan QR code on this page of the brochure).
